2. This is an application for fixing an early date of hearing of Second Appeal No.61 of 1998 with Second Appeal No.63 of 1998. It is submitted on behalf of the applicant that the applicant lady is 80 years old and therefore, she deserves indulgence, especially when the issues involved in the appeals are within narrow campas. It also must be noted that the assignment of this court is of admission as well as final hearing of second appeal and therefore, it is not possible for this court

to take up the final hearing matter in the face of the ensuing Vacation. However, taking into account the genuine difficulty, it is hereby directed that the application is allowed and the second appeals to be heard finally in the week commencing from 21st November, 2005. Print dispensed with. The appellants to file compilation. With this direction the application stands disposed of with no order as to costs.
